1. I am come that you might have life and have it more abundantly. I am come to show you My love, My Father's love: Me. I am come and all who want Me may have Me, enjoy Me, embrace Me, eat Me, and interact with My love as lovers, love being. I love you. The radiance of My voice, the voice of My radiance, My voice covers the earth, My voice fills the earth. I come in the word of My voice and the voice of My word.
2. See Me, hear Me, feel Me, become Me tangibly, visibly, experientially, and anything but bored-ly for I am not bored, and no one can be bored in My Kingdom, the kingdom of creation where creation took place and now creates, creates with Me; the work of My hand creating, the word of My voice and the voice of My word creating, coming forth in power and might, majesty, beauty, splendor and radiance.
3. Behold Me. Behold the word of The Lord. Behold the word of I Am. Behold, I am I Am. Behold, I am I Am in the voice of My word and the word of My voice in those who have I Am, who are I Am, who I Am is a part of, and in I Am resides. I am I Am and I behold. I behold the work of My hands, My creation, the power of the will that I instilled, that I installed, that I fashioned and formed in My creation and I forestall not, but allow to operate in the fullness of Me if drink offerings are.
4. Yea, I love you and I behold Me and I behold the lamb and I behold My Father. We are one, I and My Father are one; you and My Father are one and I have said it before; triune, Trinity, triads, three-be's of Me. I love you. I love you, come forth, come forth with all the joy that I have provided, provisioned, and abundance'd in your behalf, yea, supplied supply lines through My body, My body operating as I designed, My body operating in love and meekness, compliments and correction and not comparison, contradiction, and competition. I love you.
5. See what I have said, see what I keep saying. See My themes over and over, thematically correct, dramatically correct, acceptable.
6. Are My words acceptable in thy sight? Am I acceptable to thee? Me, the man of sorrows acquainted with grief (1), who when you see Him will have no form (2), no comeliness (2), will you accept Me? Will you love Me? Will you be Me?
7. Will you come in My fashion and form? Will you operate now the day of My fashion and form (3), My fashion and form being already? Knowing your origin and species to the fullest extent with accuracy provided by Me in the words of My mouth, the mouth of My word, the power of My love? My will instilled, My will revealed, My will known; yea, My design let forth (4), not restricted any longer. I love you.
8. Yea, **revolution is; revolution from revelation**. Transition no more; yea, transition by revolution. Revolution transforming. **Revelation transforming the transformative**

process. Yea, I love you. Know who you are; know Me, know Me more, please know Me more. Know Me in the fullness of My body, know Me in the fullness of who I am, what I have done and how I operate. Oh! I love you. Thank you for speaking My words, saying Me, saying what I say, being what I say; eating on Me, the Tree of Life. Yea, I love you.

9. See what I have said. See what I have said. Be what I have said. Wow! I love you and I give you Me. I give you Me, the man of many sorrows acquainted with grief, and we hid as it were our faces from Him (1). So many have hid their faces from Me. Will you hide your face from Me? Will you ever hide your face from Me, or will you come and will you come more and will you come and face full view?

10. Watch Me, watch Me not, watch Me; yea, more than watch Me, but behold Me and embrace Me, interact with Me and love Me and let Me love you to My fullest. Yea, My love is; My love comes; My love is come; My love has come and My love interacts more fully with you, more and more so as you arise, awake, setting your alarm even to be with Me in the fullness of aloneness and in solemnity not. But yea, emotion'd together, realizing, knowing from the depths of your being that I am emotion, that I am passion, that I am passionate, that I created passion, and that I love passion.

11. Yea, I love you and I give you Me and I give you that which I have placed in you that you already know. For how did you already know? How do you know except I be in you (4) and I reveal Me? I reveal Me and I continue to reveal Me because there is no veil. **There is no veil** over My face, **there is no veil** over My body, **there is no veil** that separates the Holy of Holies now from you to walk in, to come in, to see in, to peer in. But not to see and peer, but to come in and operate in the fullness of Me, with Me; Me being there residing, you being there residing with Me at all times now; never even coming out, but operating in The Holy of Holies, yea, in every vocation. See what I have said and limit Me not.

12. See what I have said and limit Me not. Let Me be Me and operate in Me as Me at all times in The Priesthood of All Believers in The Order of Melchizedek. You, you, you at this time now in your life, your present life today here on the earth behind the veil, in The Holy of Holies, operating as Me, being Me in the freedom that you were designed, the freedom that I am. Yea, now, today in every vocation operating as the Mighty Many; released, released, released in the freedom that I am. Yea, shortness of breath, none. I loved you, healed.

13. I am/you are My healer, My healing I pray and release, forfeiting nothing, walking the earth in power and might, **business authority and acumen of only Me; accurately emphasizing, revealing the desires of My heart. Being the desire of My heart, being My desire, being Me, desiring Me, entering Me, exchanging hearts with Me; Love, covenant love being, covenant being, loving My covenant and covenanting continuously in the body and blood that I am; the body and blood that you are. Yes, the body and blood that you are; My body and My blood streaming into you,** powerizing you, My fuel.

14. My stream continues, not stagnant, nor continues not in any manner of likeness experienced. But, yea, comes forth now in tsunamis, tsunamis that never stops in modes, manners and fashions that rock the worlds of those who now see the hand of fate not, but the hand of faith, the heart of faith, the faith maker. And that the Maker of who created the will and gave the ability for faith to reside, to believe, to become Me and My fullness. Cataclysmic continuity of discontinuities arise and paradox's make and antithesis of what so many think is their boring existence in God. I love you.

15. I come and I call and I beckon as My beacons arise, My white towers powered in radiant meekness, transcendent power, meekness the world has never known in unity, unity of My spirit, unity of My peace, the peace of My power, the power of My peace in unity. Yea, that reveals Me in My heart and operates as I designed that, yea, comes forth streaming Me and the word of My mouth and the mouth of My word.

16. Behold Me. Thank you for arising. Thank you for becoming fearless. Thank you for reading and re-reading My words. Thank you for wanting My words and letting My words turn your world upside-down and not being afraid. Not being afraid of what I will show you. Not being afraid of what I will say. Not being afraid of My correction, My discipline, nor My judgement. But, yea, coming into Me for the tender mercies. Yea, for the joy of My love and the love of My joy. Yea, accepting Me, My Cross, My death, burial, and resurrection and My being Me, you being now Me that I offer, that I have offered always. I love you.

17. "What time I am afraid I will put My trust in thee (5);" a child's prayer, a man's prayer, My prayer. Yet, there is no fear for perfect love casts out fear (6) and My love is so perfect and so powerful, so continuous that you can count on Me always in the manner, fashion and form of only Me. My love never fails (7).

18. I form and I fashion now through the Mighty Many, those who will wear My name, be My name, and be Me in The Kingdom of Righteousness, holiness (8) without which no man, no woman will see Me or be Me nor enter into the Kingdom of Heaven.

19. Righteousness, holiness without which no one will see Me (8). Yea, I see, I repeat, I redundantly, repetitively, thematically banner in My words so often, past, present, and will increasingly.

20. Purity is not a matter of choice; purity is not a matter of elevation; purity required, purity foundational, yea, to come into Me and to eat Me and My words, to hear My voice; the voice of many waters; the voice of tenderness; the voice of two lovers being with Me; yea, tenderly, intimately; yea, joyously joy in moments, in wee hours and aloneness that is not being alone. I love you.

21. I come into you now more and more to carry and carry you, to carry you into the places that you know exists in Me; the places that you quest after; content of My heart, My heart more fully and My meekness without measure.

22. See what I have said. No arrogance, no defense, no self-justification lives in My presence. Freedom thrives. Individualistic design goes ballistic for the passion which I created, designed, and love; reigns free in the power of the freedom of My love; creating,

creating Me-ons and releases Me in the fullness of My altogether loveliness and all that they touch; their sphere, the power of influence, the authority of love. I love you.

23. I command, I call and I conquer and I have come and My Second Coming so common, so common place, having come to the common, **but so many will miss Me like they missed Me before;** like so many missed Me when **My revelation was revealed in such commanding love.** I conquered, yet **so many resisted the revelation of My word made flesh. My word made flesh then, now; now in My Second Coming revealed.** Yea, I come and I call and I operate in the Mighty Many, I operate in you. Will you let Me operate in you reader/hearer? Will you come? Will you call? Will you conquer? Will you come in the wee hours? Will you come and let Me voice My concerns?

24. Will you give voice to My correction? Will you give voice to the tender mercies that, yea, I reside in you with, I reside in you in, and that is an integral part of Me, inextricably linked to the fullness of Me? The many waters of My words, the many words of My waters, the many words of My many waters. Yea, will you come? Will you behold Me? Will you meekness become and meekness be?

25. Will you let Me give you My world? Will you give Me your world? Will you give Me your friends for My friends? What will you hold on to?

26. Will you come? Will you sleep in Me? Will you covenant with Me? Will you let Me covenant with you? Will your body and blood be shed for Me? My body and blood was shed for you. And yea, I offer you My all; and I resist you not; and I hide nothing. I am transparent. Yea, I love you. And I wash you now with the water of My word (9). I clean and I cleanse, I wash your feet (10); yea I wash you with My tears, My tears of joy, sorrow not, as you come and call and call and beckon to My beckon. Yea, to lovers be, coming into Me, allowing Me to know Me, allowing you to know Me, allowing Me to know you in the fullness of My design, My creation so powerful, powerfully, power be. I love you.

27. Yea, in the fullness of time, yea, now is today; your time, your day, your opportunity. Yea, I come now today; receive Me; receive Me that where I am there you may be also (11), and; operate in the fullness, holiness, and righteousness of who I am, what I am; there in the vocation in which you were called, the vocation which you are, the vocations (12) in which now I expand you into across the global expanse of realms international, realms unknown, realms unexplored, realms offered; yea, not limited by Me. Yea, I love you.

28. Behold Me, arms outstretched to you this day, this night. Yea, set your alarms and come into Me, allow Me to speak, to see your face, light My candle, allow Me to burn out the dross with My love; the doctrines and directives of mere men, the rules of restrictors that facilitate the flow of My freedom to create, to create, to create with the word of My voice and the voice of My word. Yea, the voice of many waters being. I love you, I give you Me.

29. I offer you My all and I thank you for giving Me My voice, letting Me be My voice, being My voice, receiving Me, being Me in fullness. Yea, My head never being above My

head. Thank you. Submitted, surrendered, meek ones now inheriting the earth (13); yea, now today, finally, finale of only Me. I give you Me.

30. See My wrath, feel My wrath. See My love, feel My love. Operate in Me. You choose, you choose, you choose this day, this moment and every night and every day **who you will be and what tree you will eat from** and whose words you will ingest and enjoy and, yea, live therefrom. Now, yea, behold eternally. Amen.

31. Go in love and peace, joy, and the magnificence of My splendor, My lover. I love you. Goodnight.
